

The Abundant Life: Session 3 Attitudes

Terry's reflection and prayers

Reflection: What are your negative attitudes? How are they connected to your wounds?
How have the voices of the fall distorted your view of the world around you?
Who and what do you hate? How is that a reflection of your own heart?

Prayer: Lord Jesus we come before you seeking your healing and grace. I lay my hands upon this your servant and I ask that you would expose those negative attitudes they hold towards others and the world. empower them to recognize their attitudes for what they are; a reflection of their own wounded ness. Give them courage and humility to seek your forgiveness and healing grace. Come Holy Spirit come and remove these negative attitudes from your child's heart and fill them with your grace, mercy and love. that they may be a beacon of light in the world. In Jesus name I pray, Amen

Clint's reflection and Prayer

Reflection Question: What attitude will you lay at the foot of the cross this evening in exchange for the attitude Jesus intended for you from the beginning?

Prayer: Most merciful Father we pray that you would give us strength to humble ourselves, courage to stand firm on the WORD of truth against the assault of the evil one and a passion to change into the likeness of your son. We ask in the name of Jesus, to place a hunger that only the bread of life would satisfy and a thirst only streams of living water will quench. Impute Oh Lord your attitude in our hearts, so that this broken world would know your grace. In Jesus name we pray. amen

Memory Verse and Journaling Assignment

Memory Verse: John 17:17 "Sanctify them by the truth. Your WORD is truth."

Journaling Assignment:

Identify the negative attitudes you are carrying. Find out where they come from.
confess, repent and amend your life.
Amend your life by choosing the positive attitude
which reflects God's grace in the world.

Each day this week, ask for God to reveal more and more to you about your attitudes
Journal about what his is saying to your heart
